Care Coordination: The Game Changer – How Nursing is Revolutionizing Quality Care

Chapter 1. Care Coordination, Quality, and Nursing

Gerri Lamb, PhD, RN, FAAN

Section 1. Quality and Safety: The Foundation of Care Coordination Practice

Chapter 2. Nursing and Quality: A Historical Perspective

Gail Armstrong, DNP, PhD(c), ACNS-BC, CNE

Chapter 3. Models and Tools for Improving Quality and Safety

Corrine Abraham DNP, RN

Section 2. Care Coordination; Practice and Leadership

Chapter 4. Effective Care Coordination Models

Cheryl Schraeder, PhD, RN, FAAN and Paul Shelton, EdD

Chapter 5. Recognizing Care Coordination in Nurses' Practice

Gerri Lamb, PhD, RN, FAAN; Madeline Schmitt, PhD, RN, FAAN; and Daryl Sharp, PhD, PMHCNS-BC, NPP

Chapter 6. The Role of Nursing Leaders in Advancing Care Coordination

Ingrid Duva, PhD, RN

Section 3. Improving Quality Through Effective Care Coordination

Chapter 7. Care Coordination and Reducing Avoidable Hospital Stays

Karen Jiggins Colrafi, MBA, RN, CPEHR, CPHIT; Nan M. Solomons, MS; and Gerri Lamb, PhD, RN, FAAN

Chapter 8. Quality Outcomes

Sheila Haas, PhD, RN, FAAN and Beth Ann Swan, PhD, CRNP, FAAN

Chapter 9. Care Coordination and Health Information Technology

Rosemary Kennedy, PhD, RN, MBA, FAAN; Patricia S. Button, EdD, RN; Patricia C. Dykes, PhD, RN, FAAN, FACMI; Laura K. Heerman Langford, PhD, RN; and Lipika Samal, MD, MPH

Section 4. Transforming Healthcare Practice and Policy

Chapter 10. Coordinating Care through Authentic Partnerships with Patients and Families

Richard Antonelli, MD, MS and Gina Rogers

Chapter 11. Community-Based Care Transitions: From Care Coordination Pilot to CMS Program

Donna Zazworsky, MS, RN, CCM, FAAN

Chapter 12. Influencing Public Policy through Care Coordination Research

Marilyn Rantz, PhD, RN, FAAN; Lori Popejoy, PhD, RN; Katy Musterman, MBA, RN; and Steven J. Miller, MA
