

Annual Report

2023

Elevating Nurses and Advancing the Nursing Profession

Nurses are on the frontlines of healthcare every day, delivering exceptional care while also serving as the heart of the nation's health system. They provide essential services across a broad spectrum of settings, from hospitals to community clinics. Nurses deliver direct patient care, manage complex cases, and coordinate treatment plans, ensuring continuity and quality of care. Their role extends beyond the bedside to include patient education and advocacy. Nurses make significant contributions to healthcare innovation by engaging in research and developing new technologies. Amidst a growing demand for healthcare services and a shortage of healthcare professionals, nurses are vital in addressing gaps and improving health outcomes.

With over 5 million registered nurses across the nation, the ANA Enterprise—encompassing the American Nurses Association, the American Nurses Foundation, and the American Nurses Credentialing Center—continues to be a steadfast supporter of the nursing community.

In 2023, we expanded and enhanced investments in nurses' mental health and well-being, bringing our total number of nurses trained as Stress First Aid Champions through the Nurse Well-Being: Building Peer and Leadership Support program to over 1,000 nationwide. We hosted events focused on critical issues such as burnout, aimed at creating healthier workplaces.

We championed and recognized exceptional nurse leaders having an impact on the profession through the Jeannine Rivet National Leadership Award.

We promoted professional growth and fostered connections for underrepresented leaders by establishing the Scholarship for Change program with support from Stryker to cover the cost of attending the Magnet/Pathway Conference for nurses of color.

We fueled nurse-led innovation and significantly impacted nursing education, technology, and practice by granting \$15 million from 2022-2025 to 10 pilot programs spanning 54 sites across 31 states through the Reimagining Nursing Initiative.

We provided critically needed funding for nursing science through the Nursing Research Grants program for nurse researchers studying work environment and strategically targeted diseases.

American Nurses Foundation and ANA Enterprise

The American Nurses Foundation (Foundation) is a 501(c)(3) charitable organization that is part of the ANA Enterprise, a family of organizations that also includes the American Nurses Association and the American Nurses Credentialing Center. The three organizations work together as a cohesive system to achieve the Enterprise vision of creating a healthy world through the power of nursing.

As the charitable organization, the Foundation is powered by the generosity of our donors and volunteers. Visit www.givetonursing.org to learn more about donors' impact on nurses and the nursing profession.

The donor list reflects donations and pledges of \$250 or more from January 1 through December 31, 2023. If there is an error in the listing, please contact us at 1-800-284-2378 or givetonursing@ana.org so we may correct our records.

Thank you for your support!

Support Nurses with Estate Planning and Tax-Smart Giving Options

Supporters of the American Nurses Foundation often express a desire to do more. A legacy gift provides an opportunity to do just that. It offers you the flexibility to make a meaningful contribution that aligns with your personal circumstances while ensuring that the Foundation can continue to make a difference for nurses and the nursing profession. A charitable bequest, which is a gift in your will, is an easy and flexible way to support the Foundation. You can designate a dollar amount, specific items, or designate a percentage of your estate. If you already have a will, you can add the Foundation to it with a simple amendment. If you have already named the Foundation in your will or estate plan, we extend our heartfelt thanks. Please complete this [short form](#) to let us know, as we would love to acknowledge your generosity. To learn more about the advantages of making a charitable bequest, visit nursingworld.mygiftlegacy.org or call 1-800-284-2378.

Many of our supporters also utilize tax-smart giving options to support the Foundation in their lifetimes. These gifts come with a variety of tax advantages for you while making an immediate impact on our work. If you own a donor advised fund, stock portfolio, or are 70.5 or older with an IRA, visit nursingworld.mygiftlegacy.org/tax-smart-gifts to explore how you can support the Foundation with a tax-smart gift.

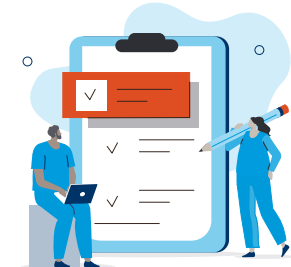

2023 BY THE NUMBERS

Some of our highlights and accomplishments during the year...

You shared your top concerns...

13,191 NURSES chronicled their health, wellness, and work environment experiences in 2 surveys in the **Pulse on the Nation's Nurses Survey Series**

We contributed to nurses and the nursing profession...

7,113 GENEROUS DONORS supported our grants totaling **\$2,153,500**

You pursued health and wellness...

423,364 RNS participated in **Healthy Nurse, Healthy Nation™** and **Well-Being Initiative** programs

Corporate Advisory Board

Thank you to the 2023 Corporate Advisory Board for your commitment to transform the nation's health through the power of nursing.
