

Interim Monitoring Requirements

Please note: This policy, in effect since November 2018, supersedes the graphic and table on page 95 and 96 in the 2019 manual.

Policy

The **Commission on Magnet** designates achievement of the Magnet credential for a period of four years. To maintain Magnet Recognition, an organization **must** remain in compliance with the components and policies of the ANCC Magnet Recognition Program® for the duration of its designation.

After designation, the organization moves into a monitoring and evaluation phase, the Interim Monitoring Report (IMR) due by the final day of the organization’s designation anniversary month, year two, and periodic phone conversations with the Analysts in the Magnet Recognition Program office.
